All Commission Members

Circular 47 of 2013

Registration for 2014

Licence bibs for most provinces were ordered from our service provider and they will print and deliver as soon as payment is received. Printing will be done in the order that they receive payment of the deposit and delivery will be done as soon as the full payment is received.

Registration for 2014 for all Athletes, Coaches, Technical Officials and Administrators will be compulsory on the SA clubs website. Attached please find three information documents on the process that needs to be followed. Please forward the relevant documents to your clubs and ensure that your Provincial and Club Administrators are in place and that the list of the clubs in your province is correctly loaded on the system. On 15 November we will reset all licence numbers allocated to clubs and the Provincial Administrators can then start to do the allocation for 2014.

Attached please find a registration form that can be used by athletes and other members without internet access. Club and/or Provincial Administrators will then have to assist these athletes to register on the system. Please assist as far as possible in this learning curve. Only athletes that are registered on the system will be allowed to enter for any SA Championships in 2014 and all entries will be scrutinized against the system. Insurance claims will only be valid if the athlete was registered before any incident that may lead to a claim.

The registration system is rather user friendly, but if you need any more information or help, please contact Pieter de Jager at the ASA office (pieterdj@athleticssa.co.za or 011 880 5800 or 083 442 4295)

With your help this system will be a success in 2014.

Regards

(Not signed due to electronic sending)
