

Message from the President John Mathane

20 October 2017

Greetings to everyone in the athletics family. To all our new members, you are sincerely welcomed to athletics and AGN family. I want to welcome you and hope that this organisation will serve as a tool to help you enjoy athletics, physically and socially.

Gauteng Athletics will indeed continue striving to increase the competitiveness level of our Athletes, Officials, Coaches and Administrators through mass participation and talent identification programs to search for talent in our communities. We are also committed to encourage free and fair Competition when it comes to Team Representation at National Championships.

We believe that the biggest contribution that AGN and Management can make to Clubs, Athletes, Coaches, Officials is through delivering excellent service and give our commitment to the development and growth of our sport.

Before you are a leader, success is all about growing yourself. When you become a leader, success is all about growing others

In the year 2016 – 2017, AGN has managed to close the gap between the elite and the upcoming athletes through various development projects, however it is not adequate to get the ultimate results. AGN will be knocking on corporate doors to seek support for these development programmes.

I would like to also take this moment to thank the City of Tshwane for their continued support to grow athletics in our province.

Gauteng North Athletics will set very high targets once again this year and counting on the support and contribution of clubs, Athletes, Coaches, Officials and parents in delivering excellent service and keeping the name of AGN as a house hold name in athletics.

Let's make it happen.

***Thank you,
John Mathane
President***
